

Timothy S. Mountcastle, MD

Mountcastle Plastic Surgery
and Vein Institute

Dr. Timothy Mountcastle is an experienced plastic surgeon, dedicated to providing quality state-of-the-art procedures to patients in Virginia, Maryland, West Virginia and the Washington DC metropolitan area. Since 2004, he has been practicing plastic surgery and specializing in breast surgery, including augmentations, reductions, and reconstructions. As Chief of Plastic Surgery at Inova Loudoun Hospital, he is one of only a few plastic surgeons in the Washington metropolitan area who performs "DIEP" breast reconstruction.

In addition, the Institute offers the most advanced cosmetic treatments that include Botox®, Cosmetic Fillers—Juvederm®, Radiesse®, Sclerotherapy, Veinwave® and professional skincare products to enhance your youthful appearance. Other areas of expertise include the treatment of

VNUS®closure procedure, abdominoplasty, liposuction and using a new non-invasive way to reduce fat with Coolsculpting by Zeltiq. The Institute has been rapidly growing and expanding to meet patients' expectations with dignity and respect.

A Virginia native, he graduated with honors from Howard University and completed his training at Charity Hospital in New Orleans. He earned his general and plastic surgery degrees from Louisiana State University. During his tenure, he was appointed chief resident in general and plastic surgery. He is an active member of the Alpha Omega Alpha Honor Society.

At Mountcastle Plastic Surgery & Vein Institute, our goal is to help you look good, feel better and live healthier.
